# BIBLE READING GUIDE

*Empowered by His Presence* is based on biblical truths illustrated through the lives of biblical characters. From beginning to end this study is about how God worked in the lives of ancient followers and how he wants to work in our lives today. The book has four sections that follow the four weeks of the all-church growth experience. I encourage participants to read a short chapter each day and then the final chapter sometime on the weekend. You will notice that each chapter is marked with a week and day. In other words, chapter 1 of the book is week 1, day 1. Chapter 7 is week 2, day 2.

Reading the book will be helpful, but the most important thing is that each person in your church and small group be committed to read the text of the Bible, God's Word. Here are the daily readings for the four weeks of your church-wide *Empowered by His Presence* experience:
